

DRAFT BEER

Stone Brewing IPA 8

6.9% ABV

Now one of the most well respected and best-selling IPAs in the country, this golden beauty explodes with citrusy flavor and hop aromas, all perfectly balanced by a subtle malt character.

Arrogant Brewing Pilsner 8

5.8% ABV

A bit hoppier than a traditional Northern Germany Pilsner, the hops are floral, bring a touch of spiciness, and are earthy overall, but still have just a bit of citrus behind them to make this one light, crisp, and refreshing beer.

Refuge Blood Orange Wit 8

5.0% ABV

By using over 200lbs of fresh blood oranges in every batch, Refuge came up with a beer that explodes with flavor yet balances its sweetness with just a pinch of tartness. It is this balance combined with an extraordinarily light wheat body that makes this brew perfect for any occasion, any time of the year!

Alesmith .394 Pale Ale 8

6.0% ABV

The name “.394” references the highest single-season batting average Tony Gwynn “Mr. Padre” set back in 1994 and reflects the commitment to excellence shared by the legendary Gwynn and the Alesmith team. “Light, with a kick”, just as Tony wanted.

Mother Earth Cali Creamin Ale 8

5.0% ABV

This beer has redefined the category and made a classic style cool again. They use a bit of Madagascar Vanilla Bean to give it that “Cream Soda” kick. This beer finishes dry despite a subtle perceived sweetness from the Vanilla.

Modern Times Oneida Pale Ale 8

5.2% ABV

The bright tropical fruit and lemongrass notes give it an uber-pungent aroma, with the grapefruity citrus of Cascade providing a touch of balance. We've also added experimental hop variety to the mix, adding a nice hop complexity while keeping it a drinkable pale ale. While more aggressively bitter than their Fortunate Islands, Oneida still has a light body and moderate ABV.
